

## Welcome to i-SAFE!

PAIUnet, your statewide, high-speed educational network, has partnered with i-SAFE, a nonprofit organization whose mission is to educate and empower students, teachers and parents to safely, responsibly and productively use Information and Communications Technology (ICT).

This three-year partnership enables educators throughout Pennsylvania to gain access to world-class e-Safety lesson plans, unique videos and valuable resources to utilize in their classrooms.

For your convenience, i-SAFE trainings will be conducted on the following dates, via Elluminate at <http://vclass.bviu.org>.

### Training Dates For School Staff:

- September 13, 2011 at 1:30 PM
- September 27, 2011 at 9:00 AM
- October 4, 2011 at 3:00 PM

**\*\*Choose a 45-minute training date that is convenient for you.**

i-SAFE's Professional Development program for cyber safety education is accessible through **i-LEARN Online**, and is available 24/7 at [www.isafe.org](http://www.isafe.org).

You may find additional information by visiting [www.paiunet.org](http://www.paiunet.org) or by contacting your local Intermediate Unit.
